

PERSONNEL POLICIES GOALS

The policies contained herein shall be administered by the superintendent, through the staff which shall be responsible for the appropriate recruitment, staffing, and employee relations of personnel of the Waynesboro School Division and shall maintain a personnel file system for all employees of the school division.

The personnel policies shall be reviewed annually. Suggestions will be sought from staff members in the revision of personnel policies. Revisions and additions shall be subject to approval by the school board on the recommendation of the superintendent.

Adopted: February 14, 1995
