

Waynesboro Public Schools  
Emergency Epinephrine Policy

In compliance with the Code of Virginia Section 22.1 – 274.2, Waynesboro Public Schools shall possess non designated Emergency Epinephrine Auto Injectors at each school within the Division. Pursuant to an Order or Standing Order issued by a prescriber within the scope of their professional practice, the Waynesboro Public School Nurse or any Waynesboro School Board employee who is authorized and trained in the administration of epinephrine, may possess epinephrine and administer it to any student believed to be having an anaphylactic reaction.
